Pay claims based on the actual veterinary bill Plans that use a benefit schedule are hard to understand and often reimburse much less than plans that use the actual veterinary bill.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Cover congenital and hereditary conditions These can cost a lot to treat and even mixed breed dogs are susceptible. Many - but not all - plans exclude them.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Cover chronic and recurring conditions Determines whether the plan will continue paying for treatment of a single illness over several years. Some plans don't cover these at all.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Allow you to tailor a plan to your budget and needs Why settle for small, medium, or large when you can have a designer plan? When you're in charge you can design a plan to fit your budget.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Cover routine and wellness care	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Pay claims quickly and explain your reimbursement You should be able to quickly and easily figure out your reimbursement without having to decode complicated tables or schedules.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Not have restrictive per-incident claim limits These limits kick in before your annual maximum and can reduce claim payouts.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Let you submit claims without raising your premium Some plans surcharge your pet when you submit too many claims.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Adjust your premium as your pet ages Usually your premium will increase as your pet ages because older pets, like older people, fall ill more frequently. Some plans offer the ability to freeze your premium for an additional payment.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Pay for treatment at a specialist without a surcharge Some plans make you pay a bigger portion of the bill if you visit a specialist or referral veterinarian.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Offer a number of discounts Typical discounts include: multiple pets, microchipped pets, military, employer groups, service pets, veterinary staff, and annual payments.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Not charge fees on monthly billing Some plans charge installment fees on monthly plans.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
